

PICKAWAY COUNTY DISTRICT PUBLIC LIBRARY
PUBLIC CELL PHONE POLICY

The Pickaway County District Public Library is committed to providing an environment that is welcoming to all patrons while being conducive to study.

Therefore, cell phones, and all other portable communication devices (herein referred to as cell phones collectively), must be turned off or set to vibrate or other silent mode upon entering the library. If you must use your cell phone to make or receive a phone call while in the library, go to the front vestibule, located between the two sets of sliding doors. Voice level of calls made in this area must be low enough so as not to disturb others. Refusal to comply with this policy will result in patron being required to leave the library.
