

DIGGER DOG NEEDS YOUR HELP!

Digger Dog is a true superhero when it comes to natural gas safety, but he needs your help now. The recital is about to begin and his friends need help finding their instruments.

Follow the lines and match the instruments with Digger Dog's friends.

NATURAL GAS SMELLS LIKE ROTTEN EGGS. Digger Dog knows the smell of rotten eggs could mean danger. If you smell the rotten egg odor of natural gas, **STOP** what you're doing. **LEAVE** the area. **CALL** 911 and Columbia Gas at 1-800-344-4077.
