

Word Search With Digger Dog

Digger can find almost anything with his super sniffer. He knows that if you smell rotten eggs it could be natural gas, and you need to **Stop** what you are doing, **Leave** the area immediately, and **Call** 911. This is another important ground rule to remember.

Let's help Digger find all the Stop. Leave. Call. words.

	B	V	L	N	A	T	U	R	A	L	P	G	A	S	K
